THANK YOU FOR YOUR MEMBERSHIP

Completion of an improved Highway 169 connecting all of the Iron Range is closer than it has ever been, but it won't happen without our advocacy at the Capitol.

PROJECT STATUS

The project has received \$6M from the state and \$4.9M in federal grants for planning and engineering costs.

An estimated \$150M will be needed to complete improvements to Highway 169 and create a safe and efficient route throughout the Iron Range. We need your support to secure this additional funding!

WE NEED YOUR SUPPORT

When you join the Range Gateway Coalition, your membership dues will help us deliver:

-  LEGISLATIVE ADVOCACY AT THE CAPITOL
-  RESEARCH AND POLICY DEVELOPMENT TO SUPPORT OUR ADVOCACY
-  ORGANIZATIONAL SERVICES TO GROW AND STRENGTHEN OUR COALITION
-  COMMUNICATIONS SERVICES TO DRIVE OUR MESSAGE FORWARD
